

Competitive Trade-in: Sophos Firewall and XGS

99% off XGS Series hardware plus 1% off Xstream Protection when ordered with a minimum 3-year term

[Valid until March 31, 2023]

Replace your existing competitive firewall with a new XGS Series hardware appliance and get 99% discount on the hardware plus 1% discount on Xstream Protection. Sophos Firewall and the new XGS Series appliances give you the very best in protection and performance to power and protect your network. From the small office or retail outlet to larger distributed organizations, our XGS Series line up includes multiple form factors to suit the requirements of many different businesses.

This offer is valid for customers who are completely new to Sophos and for existing customers with other Sophos products, but who don't yet own a Sophos firewall of any kind.

THE BENEFITS:

- **Powerful Protection and Performance:** Sophos Firewall's Xstream architecture provides protection from the latest threats whilst accelerating important cloud, SaaS and other app traffic. The dual-processor XGS Series models include a dedicated hardware FastPath for trusted traffic, freeing up resources for important deep packet and TLS inspection for the traffic that needs it.
- **Xstream Protection:** A single license bundle for advanced protection with Network, Web and Zero-Day Protection plus Central Orchestration for SD-WAN VPN orchestration and a 30-day Central Reporting Advanced data retention period. Rounded out with Enhanced support, this bundle has everything you need to protect your network.
- **XDR-Ready:** Xstream Protection paves the way for you to extend your threat intelligence beyond your firewall data with Sophos Extended Detection and Response [XDR]. Works in combination with other Sophos products which are licensed separately. See sophos.com/xdr for further details.

HOW TO USE THIS OFFER:

1. Place an order with your Sophos partner quoting the promo code below.
2. Sophos may validate the ownership of your current firewall. We recommend including the make, model and serial number on your order.
